85. POLICING AND COMMUNITY WARDEN REPORT

PC Andy Howe provided a report as follows;

- Anti-social behaviour has been reported at the Limes. Lack of street-lighting is not helpful.
- Recommended use of mobile CCTV cameras in areas of known anti-social behaviour to help identify those responsible.
- Low level calls to the villages with main issues being nuisance vehicles, off road bikes and e-scooters.
- 108 crimes recorded across the village but includes those reported at the Manston Migrant Processing Centre which form the majority of that number.
- 17 calls to Police from Minster during May. All except one being traffic related.
- Suspicious persons reported entering a driveway in the top part of the village so additional patrols in that area.
- Time spent in Manston due to concerns over drugs use and nuisance vehicles.
- Summer season likely to result in being called to Dreamland events.

Cllr Local asked what could be done about vehicles with overly noisy exhausts driving through the village. PC Howe responded that if registration details were provided to him then he may be able to visit the owners and give some words of advice. Ideally the area would have a PG9 traffic officer but there is not one in Thanet.

Cllr Webzell said that the school are experiencing problems with vehicle parking on the zigzag lines outside the entrance. PC Howe responded that they should continue to place temporary bollards and have a member of staff patrolling the area as this is an effective deterrent.

Community Warden Team Leader, Aaron Kluibenschadl provided an update on the community warden service and explained that further to a public consultation and budget cuts, the service has been significantly reduced. Wardens are now allocated to geographical areas based on community need. Gary Groombridge is the new warden covering Thanet Rural Villages.

Community Warden Gary Groombridge provided a report as follows;

- Lives locally so is familiar with the area.
- Has been on probation with KCC and completed six months training.
- Will be based above Minster library but will be visible in the community, addressing anti-social behaviour, low level crime, carrying out social services referral visits and providing 'Positive Wellbeing' support.
- Has visited Minster Primary School, RBL, Bowls Club and the Mens Shed.
- Will have a stall at the Minster Show in July to advertise how they can help in the community.
- Working with PC Andy Howe and Minster Surgery
- Referrals can be made to the warden via a referral form.

86. COUNTY COUNCILLOR & DISTRICT COUNCILLORS REPORTS

Cllr Smith reported as follows;

- Responded to 'Have Your Say' invitation from the Planning Inspectorate regarding National Grids Sealink plans for Minster Marshes. Deadline to do to is 23rd June 2025 so encouraging everyone to respond.
- £1.5M funding granted to TDC for Warm Homes but there are already many households on the waiting list.
- Next Citizens Advice outreach programme will be at Minster Library on 17th June 2025.
- Consultation and feedback on TDC's PSPO (Public Spaces Protection Orders) can be given via YourVoice.Thanet.gov.uk.
- There is a survey for local people to share their feedback on the proposed changes to how social housing is allocated. This can be completed until Sunday 15th June, also via YourVoice.Thanet.gov.uk.
- Next TDC full council meeting is 10th July 2025.

Cllr Peter Evans introduced himself as Vice Chair for KCC, KCC Councillor for Sandwich and TDC Councillor for Thanet Villages.

Cllr Peter Evans reported as follows:

- Previously held the role of Chair of Planning at TDC so is happy to give advice on any planning matters.
- Recently visited Minster marshes and the proposed site for Sealink.
- Happy to be contacted via email and will respond in 1-2 days.

Cllr Crow-Brown asked Cllr Evans view on the North Thanet Link Road. Cllr Evans responded that he was against it, but it may well happen.

Cllr Ingleton asked Cllr Evans if he may be able to assist over several matters including Spitfire Way Junction. Cllr Evans asked that any information be sent to him for review and also be copied in to Cllr Luke Evans.

Cllr Bates confirmed that the Home Office have stated that land is available on Manston Road for the creation of a footpath.

Cllr Luke Evans introduced himself as KCC Councillor for Birchington and Rural and reported as follows

- Currently works as a SEN teacher and is KCC deputy member for Education.
- Minster marshes and the Sealink proposal has been escalated within TDC and to KCC Environment and referred to Reform UK task forces.
- A local resident has approached him with road safety concerns following an incident crossing outside the CO-OP and requested a zebra crossing in Monkton Road. Having contacted Paul Valek, the data does not stack up for the provision of a zebra crossing in this area. PV suggested a 20MPH speed limit could be considered to be implemented from the bottom of Tothill Street along the length of Monkton Road to the last house. This would need to be supported by the parish council via the HIP.
- MPC asked if Cllr Evans could endeavour to get a KCC Officer to start attending the Joint Transportation Board meetings again at TDC.
- Cllr Evan suggested that consideration to be given to 'non loading' lines being installed outside Minster Primary School to stop cars parking for unloading children on yellow lines on the corners. This would also need to be referred to the HIP.

87. CHAIRMAN'S ANNOUNCEMENT

Cllr Quittenden reported that the VE celebrations went well, and attendance exceeded expectation at both the ceremony at the flagpole and the beacon lighting. The new local council boundary proposals were presented to Parliament and it was decided not to implement them presently.

A number of members visited the Manston Migrant Centre upon invitation and it was very informative. There are 2500 employees on site including Contractors. Members of the planning committee pressed the Home Office on the proposal for a footpath at the site.
